Brothers and Sisters in Jesus Christ,

Peace be with you.

I have worked with Joe McClane on many different projects, conferences, and media related apostolates and have found him to be an excellent speaker on the Catholic Faith, human sexuality, men's issues, purity, overcoming pornography addiction, and many other topics.

Joe presents himself as very knowledgeable on the Catholic Church's teachings, solidly rooted in Scripture and Tradition, not only faithfully adhering to the Magisterium, but able to present complex and also sensitive issues in a way that the average person can understand and experience conversion. He has clearly a gift for bringing people to *a living encounter with the Lord Jesus Christ*. He also presents practical means of getting the most out of the Sacrifice of the Mass, the Mercy of the Sacrament of Penance, ordered family relationships and accountable friendships, and the healing of ascetical prayer and sacrifice rooted in the Catholic patrimony of spirituality.

I HIGHLY recommend him as a speaker, teacher, and well, someone to light a real bright fire under those who need it the most.

May the Lord Jesus Christ continue to use him as an instrument for the New Evangelization, the Popularization of the Theology of the Body, and as humble disciple and man of the Church.

Sincerely in Hearts of Jesus and Mary,

Fr Samuel Medley, SOLT
